CORPORATE EVENTS AT ILA

Immersive Light and Art

Discover the magic of ILA and its 6 unique spaces, where art and technology converge to create an unparalleled event experience. Embrace our ethos of diversity, innovation, and community, and let us transform your event into a memorable and impactful journey.

Choose ILA, where every event is not just a gathering, but a celebration of creativity and immersive experiences. Holding your next business event at ILA means you are choosing to support artists. Whether you're planning an intimate long lunch with clients in Aurora, a networking event in The Light Room Bar, a brand presentation in The Lab or a post-conference venue takeover, the possibilities for business events at ILA are limited only by the imagination itself.

Hosting your event at ILA contributes to a cycle of corporate responsibility; as a not-for-profit, we reinvest all profits from our events and hospitality back into creating opportunities for artists. Elevate your corporate engagement with events that leave a lasting impact, both for your brand the broader creative community.

AURORA AT ILA

Aurora is bringing fresh flavours, local produce and sustainability to the table to create memorable dining experiences complete with award-winning food and service.

The moody interior with projection lighting and an open kitchen creates a vibrant restaurant atmosphere, perfect for entertaining clients over a long lunch or eating your way through our menu alongside your team.

Dine with us as best suits the occasion, Aurora can be booked privately by your business, comfortably accommodating up to 100 people, or for more intimate affairs, our private dining space is ideal for groups up to 30.

THE LIGHT ROOM AT ILA

Corporate events come to life at The Light Room. Home to three unique spaces, The Light Room Bar, Gallery and Studio brings people together in a place where social interaction and new creative experience forms fuel a vibrant social scene and a growing arts community.

From intimate board catchups, team planning days and AGMs, to end of financial year celebrations, networking events and conference welcome functions, The Light Room spaces can be hired individually or in combination to accommodate your specific needs.

The Light Room Bar and Gallery set the scene for cocktail style functions from day to night, whilst The Light Room Studio provides a blank canvas for more elaborate presentations and immersive experiences. Our flexible options enable you to create the exact experience you desire, with the ability to adapt and tailor the spaces to fit your specific requirements.

By combining The Light Room Bar, Gallery and Studio your organisation can create a truly unforgettable event that promises to impress and engage clients, team members and stakeholders alike with an increased capacity of 250 PAX.

THE LIGHT ROOM BAR

Commanding a magnificent view over Light Square, The Light Room Bar is just one space within our three part Bar, Gallery and Studio.

Bathed in natural light during the day before transforming into a stylish cocktail lounge once the sun goes down, The Light Room is a dynamic space for hosting an array of events from welcome breakfasts and networking functions to awards nights and end of financial year celebrations.

Leather banquette seating, polished concrete floors, exposed brick walls and feature lighting adds a touch of luxury to any occasion within a vibrant bar atmosphere.

THE LIGHT ROOM GALLERY

The centre of our Bar, Gallery and Studio, The Light Room Gallery is a newly renovated chic, minimalist space with concrete floors, high ceilings and track lighting.

Featuring a program of pop-up art installations and filled with inherent charm, The Light Room Gallery requires minimal styling to transform business events into lively and engaging experiences. Fusing physical and digital artworks, a 3 metre tall LED screen can be used as an extension of the exhibition on display, to create a dynamic background for photo opportunities or to showcase your brand.

Treat this as your own canvas and exhibit works just for your event, or work with the team at ILA to collaborate on an exhibition aligned to your organizations values.

100 PAX

THE LIGHT ROOM STUDIO

The penultimate story telling canvas in Adelaide, this 150sqm of cutting-edge LED screens is the perfect way to share stories in an intimate experience. The Light Room Studio is a unique multipurpose space that offers full immersion and can transport you and your guests to any world, creating new ways of seeing and experiencing things only limited by the imagination.

The Light Room Studio serves as a blank canvas for creativity and brings to life captivating displays, dynamic presentations, impactful brand launches and interactive experiences that will elevate your event to unprecedented heights.

100 PAX

THE LAB AT ILA

Unleash your imagination at The Lab, a multi-functional immersive venue with 50 square metres of surrounding LED screens. With a versatile and adaptable design, let The Lab be the background for your business event.

Ideal for corporate launches, networking events, presentations, immersive dining experiences and more, our immersive technology creates dynamic and captivating environments and can elevate your brand to new dimensions. The Lab can accommodate seated dining for 90 guests and cocktail style events for up to 180.

THE LAB GARDEN AT ILA

Picture this, freshly shucked Oysters and Sparkling on arrival surrounded by lush greenery with vibes flowing straight from a built-in DJ booth under the stars. Leading the way to The Lab, The Lab Garden sets the scene for outdoor welcome drinks and networking opportunities in a relaxed, vibrant atmosphere.

Enhanced by exterior large format LED signage facing the traffic-heavy Light Square, The Lab Garden can generate exposure for your brand throughout your event. The perfect space for a pop-up paella station or food-truck style fiestas, The Lab Garden can be privately booked on its own with a capacity of 160 or in conjunction with The Lab for bigger events.
