YOUR WEDDING AT ILA

Immersive Light and Art

ILA is a unique wedding destination situated in the Adelaide's West End creative quarter that offers bespoke experiences with a high emphasis on excellence and innovation. Home to a number of unique spaces hidden behind the stunning façade of our heritage building, say "I do" to an unforgettable wedding celebration at ILA.

Our versatile spaces and experienced team will create a customised event that perfectly captures the essence of your love story, from small, intimate gatherings to large scale venue takeovers. Exchange vows in our mesmerising The Light Room Bar, dine in style at our award-winning Aurora Restaurant and dance the night away under the stars in The Lab Garden. With our state-of-the-art immersive LED technology, ILA adds an extra spark of magic to your big day.

Celebrate love at Adelaide's centre of immersive light and art.

AURORA AT ILA

Introducing Aurora, the perfect setting for your dream wedding. Our enchanting restaurant, featuring a moody interior, open kitchen, and decorative lighting, provides an unforgettable backdrop for your special day, and promises to create memories that will last a lifetime.

Under the expert leadership of ILA's Executive Chef, Aurora's culinary team serves up world-class cuisine that is both engaging and sophisticated, ensuring your wedding menu is nothing short of exceptional. The open kitchen, complete with a purpose-built braai, offers an interactive experience that adds a unique and personal touch to your wedding celebration.

Aurora's interior matches the beauty of their menu, designed by award-winning designer Georgie Shepherd. The versatile space can be tailored to accommodate both grand celebrations and intimate gatherings, ensuring every detail of your day is perfectly suited to your desires.

THE LIGHT ROOM AT ILA

The Light Room, a three part Bar, Gallery and Studio offers a sophisticated and versatile setting for your special day. From micro-weddings and bachelorette parties to bridal showers, engagement celebrations and large-scale weddings, with three spaces to choose from or combine, The Light Room promises to make your special day unique and memorable.

Boasting a magnificent view over Light Square, The Light Room Bar transitions from a bright daytime spot to an elegant cocktail lounge by night. Its design features leather seating, polished concrete floors, and exposed brick walls, creating a luxurious atmosphere. As a fully licensed venue, it allows festivities to continue until 2 am.

In the heart of The Light Room is The Light Room Gallery, a minimalist space with high ceilings and concrete floors, accented by stylish track lighting. The ever-changing pop-up art installations add an air of sophistication, and a 3-meter tall LED screen provides dynamic photo backdrops. It's perfect for post-ceremony drinks or pre-reception canapés surrounded by art.

Completing the trio, The Light Room Studio is surrounded by 150sqm of cutting-edge LED screens. This space transforms imagination into reality, offering immersive experiences and dynamic backgrounds for special moments, such as a first dance or a recreation of your engagement.

Together, these three spaces make The Light Room an ideal blend of luxury, art, and technology for an extraordinary wedding experience and increase the capacity to 250 PAX.

THE LIGHT ROOM BAR

Commanding a magnificent view over Light Square, The Light Room Bar is just one space within our three part Bar, Gallery and Studio. With an award-winning design bathed in natural light during the day before transforming into a moody cocktail lounge once the sun goes down, leather banquette seating, polished concrete floors, exposed brick walls and feature lighting adds a touch of luxury to any occasion within a vibrant bar atmosphere.

The Light Room Bar excels in hosting cocktail-style wedding events, where guests can indulge in delectable canapés crafted by our award-winning Aurora restaurant team.

Elevate your celebration with our bespoke cocktail offerings, meticulously designed to reflect your personal tastes and preferences.

100 PAX

THE LIGHT ROOM GALLERY

The centre of our Bar, Gallery and Studio, The Light Room Gallery is a newly renovated chic, minimalist space with concrete floors, high ceilings and track lighting.

Explore the art of weddings at ILA with post ceremony drinks or pre-reception canapés amongst captivating artwork. Featuring a program of pop-up art installations and filled with inherent charm, The Light Room Gallery requires minimal styling.

Fusing physical and digital artworks, a 3 metre tall LED screen can be used as an extension of the exhibition on display or to create a dynamic background for photo opportunities.

100 PAX

THE LIGHT ROOM STUDIO

Surrounded by 150sqm of cutting edge LED screens, The Light Room Studio is a unique multipurpose space that offers full immersion and can transport you and your guests to any world, creating new ways of seeing and experiencing things only limited by the imagination.

The Light Room Studio serves as a blank canvas for creativity and brings to life captivating video and photo displays, interactive experiences and stunning dynamic backgrounds to elevate your event to unprecedented heights.

Wow your guests with a first dance amongst the clouds, or teleport back to the scene of your engagement through the power of our immersive technology.

100 PAX

THE LAB AT ILA

A multifaceted, space featuring 50 square meters (that's 14 million pixels!) of LED screens. Transcend the ordinary and transport you and your guests to any world, real or imagined, as you celebrate your love story.

With its state-of-the-art LED screens and stunning bar, this versatile venue transforms into a vibrant and energetic atmosphere, setting the perfect after party vibes where you and your guests can dance the night away.
